

## DO YOU WANT FREEDOM FROM SPIRITUAL SICKNESSES?

(blue sky on cover, bird on back cover)

**Sicknesses cause us many difficulties and make us suffer much pain.**

Some diseases can be cured by the use

of medicine. Other sicknesses come from trauma/grief and other circumstances that affect us emotionally. These types of sicknesses can also be cured through medicine and by having someone to talk to about them. However, other sicknesses are spiritually related.

Although we have been taught that they are caused by some sort of handi or fureta, actually, these types of sicknesses are caused by Satan.

Because of our sin, Satan is given opportunity to exert his power in our hearts and souls. Satan desires to destroy us. But as we repent of our sin and cleanse our hearts, God gives us His Mighty Spirit. For His power is greater than every other power. The Mighty Spirit God has given us will rescue us from those spiritual powers.

### **The person who was rescued from the spiritual power:**

Jesus went with his disciples across a lake to the area called Gerasa. As he climbed out from the boat, a person who was crazy due to Jinn came to him from among the tombs .

This man lived among the tombs. No one was able to restrain him. Many times he had been chained hand and foot. But every single time he broke the chains to bits. This is why no one was able to restrain him. Day and night he lived among the hilly tombs. He habitually cut himself all over with sharp rocks, and yelled at the top of his voice.

Seeing Jesus from afar, he came running and fell at His feet. Jesus said, "Evil spirit! Come out of this man!"

The man yelled at the top of his voice, "Jesus, son of the most high God! What do you want from me? Swear before God that you won't hurt me."

Then Jesus asked him, "What is your name?"

"My name is Army-Troop. Because we are many many Jinn." Then the man pleaded over

and over that the Jinn not be sent out of that region.

There was a large herd of pigs at that place, who had come to eat grass. The Jinn pleaded with Jesus, "send us into that herd of pigs. Allow us to enter into them."

When Jesus gave permission, the Jinn left the man's body and entered into the pigs. There were about 2000 pigs in that herd. Immediately, the herd of pigs ran down the mountain, plunged into the lake, and drowned.

The pig-herders saw this and quickly went into the towns telling of this happening, and crowds came to see what had happened. When they came to Jesus, they saw the man who had been crazy due to so many Jinn, sitting there fully clothed and in his right mind, and they were frightened.

The eyewitnesses told them what happened to the crazy man and what happened to the pigs. Then they begged Jesus to leave their region.

While Jesus was climbing into the boat, the man who had been saved from the power of the Jinn begged to go with him. But Jesus refused his and said, "Go to your family and tell them the wonderful things God has done for you. Also tell them how He showed you mercy."

So the man returned and told in all the towns of what Jesus had done for him. [from the Injil, fifth chapter of the book of Mark.]

### **Should we use fandita?**

We use fandita when we are ill. And we use fandita to ensure a good catch of fish. We even use fandita to harm other people. If we don't get the desired results after the first use of fandita, then we have someone else do fandita for us. Then if that doesn't work, we ask yet another person to do fandita for us. We spend so much time and money on this. If we can be saved from this we would have great freedom indeed.

There are two powers in the world. One is the power of God. The other is the power of Satan. God tells us to trust in Him in all situations and to call on Him even in times of trouble.

By doing fandita, we are using power from Satan. He does what we request in order to dazzle us. Then while we are bedazzled he can fully deceive us. And capture us under his power.

Don't allow this to happen -- stay free! Seek the truth about who God is. Accept the truth about God. Then because of the truth you will become free.

**Jesus frees a child from a spiritual power.**

One day, many crowds came to meet with Jesus. A man among them said to Him, "Teacher, I beg you, come see my son. He is my only child. Jinn have possessed him. He suddenly stands and begins yelling. They knock him unconscious and he foams at the mouth. They never leave him alone. They are destroying him this way."

Jesus said, "Bring him here. " While the child was coming to Jesus, the Jinn knocked him unconscious. But Jesus commanded the Jinn to flee. He cured the boy and gave him over to his father. Everyone there saws the greatness of God and were amazed and surprised. (from the Injil, Luke chapter 9)

**Jesus is alive, even in the 21st century.**

...when we put our faith in Jesus and pray in His name, God will answer these prayers.

When we pray in Jesus' name to be rescued from the power of evil spirits, and God will rescue us. But that is not all. Many times Satan will attack us again. After we have cleansed our hearts and prayed in the name of Jesus, God will rescue us from the spiritual attacks sent by Satan.

Jesus suffered and was crucified because of our sin, to receive the punishment we deserve. We must always believe that Jesus died for us, and that His blood was spilled. Then God's Holy Spirit will be with us.

Everyone who believes in Jesus as Savior and prays in his Name will be delivered from the wounds and difficulties caused by evil spirits. God will give His Holy Spirit to everyone who believes with sincere heart, sincerely repents of their sin, and is baptized for repentance.

**Satan will try again and again to destroy us, but God's power is the greatest.**

To be saved from spiritual sicknesses, we must do these three things:

1. confess the sins we have done to God, repenting, and asking for forgiveness
2. testify before God that we believe in the great sacrifice Jesus gave.
3. Pray in the name of Jesus asking him to rescue us from the power of Satan

(Prayer on back)

Oh God! You are my Lord. And You are greater than all other powers.

I have rebelled against You, Lord, and sinned. I repent before You of my sin, and ask for forgiveness.

I believe that You came to the world as Jesus to wipe away my sin.

I ask You to give me Your Holy Spirit, by means of Jesus. And in the name of Jesus I ask you to rescue me from Satan. Amen.
